Cable USB 2.0 A > B male / male 15 m

Description

The USB 2.0 cable by Delock enables you to connect active USB devices with USB-B interface, e.g. printer, external HDD enclosure etc. to a free USB-A port. The double shielded cable and the higher cable gauge of power line ensure a safe connection between your device and computer. Furthermore this cable is equipped with two LEDs for power and link status.
